Mr. J. Walter Yeagley, Chairman
Interdepartmental Committee on
Internal Security
Washington 25, D. C.

Dear Mr. Yeagley:

Reference is made to your letter of 2 May 1956 concerning
the proposed establishment of a central government facility for
testing and evaluating security equipment. Your letter proposed
the organization of an ad hoc group to survey the character and
volume of work likely to ensue from such a program.

This Agency has a great interest in security equipment and
we will be pleased to participate in this program. I am designating
Mr. [REDACTED] as the CIA representative.

Sincerely,
